**Startup
Ecosystem**

The Indian Council For Entrepreneurship & Innovation (ICEI) is a national platform dedicated to strengthening India's business, leadership, and innovation landscape, with a strong focus on nurturing a vibrant startup ecosystem. ICEI brings together business leaders, entrepreneurs, startup founders, investors, CXOs, and innovators to enable collaboration, knowledge exchange, and scalable growth.

Guided by the pillars of **Leadership, Innovation, Entrepreneurship, and Startup Ecosystem**, ICEI works to empower visionary leaders and emerging enterprises through high-impact summits, leadership forums, startup innovation programs, live pitching platforms, and national recognition initiatives. Our programs are designed to bridge ideas with execution, enable startups to scale, and support businesses in navigating the future of markets and technology.

ICEI is committed to building a future-ready ecosystem where leadership excellence, innovation-driven thinking, entrepreneurial spirit, and startup enablement converge to shape India's economic progress and global competitiveness.

ABOUT THE SUMMIT 2026

The International Business Summit & Awards 2026 is a flagship three-day platform designed to bring together leadership, innovation, entrepreneurship, and the startup ecosystem under one influential forum. Curated by the Indian Council of Entrepreneurship & Innovation (ICEI), the summit convenes business leaders, CXOs, policymakers, startup founders, investors, and innovators to engage in meaningful dialogue, knowledge exchange, and collaboration.

The summit features informative and strategy-driven knowledge sessions where industry experts and leaders share actionable insights on leadership, business growth, innovation, emerging markets, funding, and future-ready strategies. These sessions are designed not just to inform, but to help participants apply proven strategies directly within their own businesses and startups.

A key highlight of the summit is **Startup Innovation Day**, which includes **live startup pitching sessions** where selected startups present their ideas and business models to investors, mentors, and industry experts. This platform enables founders to gain visibility, receive expert feedback, explore funding opportunities, and build strategic partnerships.

Beyond sessions and pitching, International Business Summit & Awards 2026 offers **curated networking opportunities** that allow participants to connect with **industry experts, startup founders, investors, business owners, and ecosystem partners**.

These interactions foster collaboration, partnerships, and long-term professional relationships across sectors.

The summit concludes with the **ICEI Excellence Awards**, recognizing outstanding entrepreneurs, organizations, startups, and leaders for their innovation, performance, and contribution to India's growth story.

International Business Summit & Awards 2026 is more than a conference—it is a platform where ideas turn into action, strategies convert into growth, and connections create lasting impact.
